O R D E R:

In the reference 2<sup>nd</sup> read above, the Principal Chief Conservator of Forests (HoFF), Telangana State, Hyderabad, has submitted a proposal for according permission to take up the works regarding Minor Irrigation Repairs and Restoration of Old Irrigation tank at Jakkepally(V), Vemanpally Mandal of Bellampally division of Mancherla District for comprehensive restoration, sanctioned under Mission Kakatiya-IV Programme, in favour of EE, IB Division, I&CAD, Mancherla, with certain conditions.

2. The proposal has been examined with reference to the clarification issued by the MoEF, Government of India, in the reference 1<sup>st</sup> read above with regard to any activity (except those relating or ancillary to conservation development and management of forests and wildlife), including those related to restoration, repairs and maintenance for the existing Old water Tanks including feeder channels in forest areas which were formed prior to 1980, which involves any of the following activities, will require prior approval of Central Government U/s (2) of Forest (Conservation) Act, 1980:

- i. De-notification of forest land or portion thereof;
- ii. Breaking up or clearing of a forest land or portion thereof;
- iii. Assigning any forest land or any portion thereof by way of lease or otherwise to any private person or to any authority, corporation, agency or any other organization not owned, managed or controlled by Government
- iv. Clearing of trees which have grown naturally in a forest land or a portion, for the purpose of using it for reforestation.

3. After careful examination of the proposal and clarification issued by the MoEF, Government of India in this regard Government hereby accord permission to the EE, IB Division, I&CAD, Mancherla to take up the work regarding Minor Irrigation Repairs and Restoration of Old Irrigation tank at Jakkepally(V), Vemanpally Mandal of Bellampally division of Mancherla District for comprehensive restoration, sanctioned under Mission Kakatiya-IV Programme, with the following conditions:-

- a) The repairs shall not include the above activities mentioned at Para 2 above.

(PTO)

::2::

- b) The repairs shall not involve any felling of trees in the forest.
  - c) No new road shall be formed in the forest and only existing approach road to the tank will be used for movement of men, machinery and material.
  - d) No Labour Camp shall be located in the Forest.
  - e) Labour force used for work shall not be disturb the forest, flora and fauna.
  - f) No work shall be carried out from 6.00 PM to 6.00 AM.
  - g) No soil or any other material will be dumped in the forest.
  - h) No activity will be taken up in violation of Forest (Conservation) Act, 1980.
  - i) The desilted spoil and other waste materials will be transported and dumped outside the forest.
  - j) The height of the Weir shall not be increased, as this will inundate the forest in the foreshore area.
  - k) The height of the bund, weir, sluice etc. shall not be increased beyond the existing structure.
  - l) Sufficient water shall be kept as reserve in the tank for use by the wildlife throughout the season.
  - m) No construction material such as earth, stone etc. shall not be increased beyond the existing structure.
  - n) No soil and construction material shall be collected from the forest.
  - o) No new forest land will be used/ submerged during/ after repairs to the tank.
  - p) Proposal to be submitted by the Executive engineer for improvement of the distributary channels, if any, if required.
4. The Principal Chief Conservator of Forests (HoFF), Telangana State, Hyderabad shall take necessary further action, accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
